CREW Report - Senate Stock Trading in Carceral Tech

Citizens for Responsibility and Ethics in Washington (CREW) report mapping Senate investments in Palantir, GEO Group, CoreCivic, Amazon, Microsoft, and L3Harris. Highlights members of the Senate Homeland Security and Appropriations committees. Includes specific PTR examples and calls for blind trust reform. Complements the House-focused documents already in the folder. Source: CREW.org (2024-2026 updates).
